If so the Liaison and Diversion Team may be able to help...

OUR AIM IS TO SUPPORT YOU TO ACCESS THE RIGHT SERVICES TO HELP YOU

Liaison and Diversion means:

Liaison - contacting services you may already be involved with and supporting you to access new services that may be able to help you.

Diversion - preventing you from getting into further trouble with the Police and stop offending.

Our team will ensure that everyone is treated fairly and no one is discriminated against on the basis of their ethnicity, gender, disability, age, sexual orientation and religion or belief.

What support can we give you?

We can discuss with you what your needs are and support you to find the best people to help.

We can support you in getting an appointment, or help explain your problems to other services.
